### About the Workshop:

The Mentor on Road program ([www.mentoronroad.com/usa](http://www.mentoronroad.com/usa)) will visit 30 US cities from June 4 to September 14, starting in Boston and ending in New York City to promote opportunities for doing business with India. Learn about **Government of India initiatives that will create opportunities for USA products and services such as Digital India; Start-up India; Skill India; Clean India; and Smart India.** Best prospects for US exports include: environment and water; financial services; medical equipment and health services; defense; infrastructure; transportation and logistics; and education services. Hear about the growing investment from India to the Southern U.S.
